

*Precision Parts. Trusted Partners.*

## **AN ENVIRONMENTALLY RESPONSIBLE BUSINESS**

Atlas Pressed Metals is an environmentally responsible business. We are committed to a system of continual improvement in the areas of environmental impact, regulatory compliance, and pollution prevention during the manufacturing process of component powdered metal parts

## **ATLAS PRESSED METALS, INC. ENVIRONMENTAL POLICY**

It is the intent of Atlas Pressed Metals to be recognized as an environmentally responsible business with a documented Environmental Management System (EMS). Atlas is committed to a system of continual improvement in the areas of environmental impact, regulatory compliance, and pollution prevention during the manufacturing process of component powdered metal parts.

Implementation of this policy is the responsibility of all Atlas employees with our goal being to provide a facility with safe, healthy working conditions in an environmentally sound setting for present and future generations. This policy will be made available to our customers and the public upon request.
